

## ***FLYMF* Mad Libs For Modern Times—Breaking Up**

\_\_\_\_\_, there's something we have to talk about. I don't think it's working between us.  
Name

This is really \_\_\_\_\_ for me to say, but I think we should take a break. I've been  
Adjective  
\_\_\_\_\_ a lot lately, and it seems that we're just heading in different directions in our  
Verb Ending In "ing"  
lives. I'm interested in starting to settle down and have a \_\_\_\_\_, while your primary  
Dependent Organism  
focus still seems to be working on your professional \_\_\_\_\_ career and hanging  
Fringe Sport  
out with your friends at \_\_\_\_\_ every night of the week. I'm working my way up to  
Somewhere Fun  
being an \_\_\_\_\_, while you seem to be happy working behind the counter at \_\_\_\_\_.  
Boring Job Convenience Store

Now, don't cry (Name). I'm not saying this because I think you're a \_\_\_\_\_ person;  
Adjective  
I just think it's time for us to have some space to find out who we really are. I think this  
relationship has been a bit suffocating for both of us. I mean, when I come home after a  
hard day's work I just want to unwind with \_\_\_\_\_ and a glass of \_\_\_\_\_, but you  
Unoffensive TV Show Genteel Beverage  
just want to drink \_\_\_\_\_ and play \_\_\_\_\_ all night.  
Hard Beverage Board Game

Have I met someone else? Well, I was hoping you wouldn't ask that, but I have. His/Her  
name is \_\_\_\_\_. He/She works with me at the \_\_\_\_\_ factory. He/She and I just have so  
Name 2 Noun  
much more in common—he/she wants to become a \_\_\_\_\_ so we can buy a \_\_\_\_\_ and  
Another Boring Job Luxury Car  
move out to \_\_\_\_\_. He/She has goals. We have things in common. He/She likes  
Boring Place  
going to \_\_\_\_\_ on Sundays and talking about \_\_\_\_\_.  
Intellectual Place Pseudo-intellectual Subject

I'm sorry (Name 1), but it's time for us to move on. Goodbye.
