

My Fetishist Things

by J.D. Smith

FLYMF May 2006, The Colbert Is God Issue, Volume 3 Issue 5

(Sung to the tune of "My Favorite Things")

Bustiers filled out with bountiful vixens,
Fishnets and garters and all of the fixin's,
Stilettos and corsets and pasted-on wings,
These are a few of my fetishist things

Pubic hair trimmed in tight angles and doodles
Dildos and testicles bunched up in boodles
Leather masks, handcuffs, and studded G-strings,
These are a few of my fetishist things

Ball-gags and latex and multiple lashes
Nipple-clamps tight on a gimp grooved with gashes
Dildos and dungeons and shiny cock rings
These are a few of my fetishist things

When the crab bites,
When the clap stings,
When I've been a cad
I simply remember my fetishist things

And then I don't feel so bad
